## NOTICE

It is hereby notified to all Semester III and Semester V students that as per instruction of the SKBU, the Internal Assessment will be taken within the month of December 2020. Every department will provide the question papers in the website of the college and set the manner and last date of submission of the answer scripts. Some departments can take the answer scripts online and the other departments can take the answer scripts at the college campus. If students come to the college campus for submission of their answer scripts, they have to follow strictly the COVID19 protocols (wearing of masks, sanitizing hands frequently, keeping at least 6 ft. distance from others etc.). The manner of submission and the last date of submission of the answer scripts will be provided either in the question papers or in the description of the question papers at the website.
